Section 7. Joint Membership. Persons who qualify to be Members may hold a joint membership in the Cooperative ("Joint Membership"). A Joint Membership may consist only of two individuals residing at the same location to or for which the Cooperative provides or will provide a Cooperative Service, each of whom qualifies to be a Member. If each individual residing at the same location each qualifies to be a Member, and unless or until either individual notifies the Cooperative otherwise in writing, then the two individuals hold a Joint Membership.

(a) **Creating a Joint Membership.** Except as otherwise provided in these Bylaws, to become or remain joint Members of the Cooperative, qualified Persons must jointly complete the Membership Procedures within a reasonable time of initially using, or requesting or agreeing to use, the first Cooperative Service used or to be used by the persons. Qualified persons become joint Members of the Cooperative ("Joint Members") and consent to being Joint Members in the same manner as Members become Members and consent to being Members. As provided by the Board, a Member may convert the Member's individual membership to a Joint Membership with a qualified Person. While a Joint Member, a qualified Person may become or remain a separate, non-Joint Member by using a Cooperative Service at a location different from the Joint Membership location.

(b) **Rights and Obligations of Joint Members.** Except as otherwise provided in these Bylaws, a Joint Member has and enjoys the rights, benefits, and privileges, and is subject to the obligations, requirements, and liabilities, of being a Member. Joint Members are jointly and severally liable for complying with the Governing Documents. As used in these Bylaws, and except as otherwise provided in these Bylaws, a membership includes a Joint Membership and a Member includes a Joint Member. For a Joint Membership:

- (1) notice of a meeting provided to one Joint Member constitutes notice to all Joint Members;
- (2) waiver of notice of a meeting signed by one Joint Member constitutes waiver of notice for all Joint Members;
- (3) the presence of one or more Joint Members at a meeting constitutes the presence of one Member at the meeting;
- (4) the presence of one Joint Member at a meeting waives notice of the meeting for all Joint Members;

- (5) the presence of one Joint Member at a meeting may invalidate a mail ballot previously mailed by the Joint Member;
 - (6) if only one Joint Member votes on a matter; signs a petition, consent, waiver, or other document; or otherwise acts, then the vote, signature, or action binds the Joint Membership and constitutes one vote, signature, or action;
 - (7) if more than one Joint Member votes on a matter; signs a petition, consent, waiver, or other document; or otherwise acts, then the first vote, signature, or action received by the Cooperative binds the Joint Membership and constitutes one vote, signature, or action except as in (5); and
 - (8) except upon the cessation of marriage, the suspension or termination of a Joint Member constitutes the suspension or termination of all Joint Members;.
- (c) Terminating a Joint Membership. Joint Members shall notify the Cooperative in writing should the Joint Members no longer reside at the same location:
- (1) if one Joint Member remains qualified to be a Member and continues to use a Cooperative Service at the same Location, then the Joint Membership converts to a membership comprised of this Person;
 - (2) if more than one Joint Member remains qualified to be a Joint Member and continues to use a Cooperative Service at the same Location, then the Joint Membership converts to a membership comprised of these persons;
 - (3) if all Joint Members remain qualified to be Joint Members and continue to Use a Cooperative Service at the same Location, then the Joint Membership converts to a membership of persons determined by Cooperative; and
 - (4) if no Joint Member remains qualified to be a Member and continues to Use a Cooperative Service at the same Location, then the Joint Membership terminates.

Section 8. Organizational Memberships. A Firm may apply or continue membership in the Cooperative pursuant to the requirements for membership specified in this Article. Any such Firm accepted, or continuing membership, must designate to the Cooperative an individual to represent its voting interests in any meeting of Members or any otherwise needed representation of that membership interest.

Section 9. Expulsion of Members. The Board of Directors of the Cooperative may, by the affirmative vote of not less than 2/3 of the Members thereof, expel any Member who shall have violated or refused to comply with any of the provisions of the Articles of Incorporation of the Cooperative or these Bylaws or any rules or regulations adopted from time to time by the Board of Directors. Any Member so expelled may be reinstated as a Member by a vote of the Members at any annual or special meeting of the Members. The action of the Members with respect to any such reinstatement shall be final.

Section 10. Withdrawal of Membership. Any Member may withdraw from membership upon payment in full of all debts and liabilities of such Member to the Cooperative and upon compliance with such terms and conditions as the Board of Directors may prescribe. Upon the withdrawal of a Member who is indebted to the Cooperative, the Membership Fee, or so much thereof as may be necessary, shall be applied to the full or partial satisfaction of the indebtedness of such Member.

Section 11. Transfer, Conversion and Termination of Membership.

- (a) Membership in the Cooperative and a certificate representing the same shall not be transferable, except as hereinafter otherwise provided, and upon the death, cessation of existence, expulsion or withdrawal of a Member the membership of such Member shall thereupon terminate and the certificate of membership of such Member shall be surrendered forthwith to the Cooperative. Termination of membership in any manner shall not release the Member from the debts or liabilities of such Member to the Cooperative.
- (b) Pursuant to the provisions of Article I, Section 7, a Member may convert the Member's individual membership to a Joint Membership with a qualified Person. Such transfer shall be made and recorded on the books of the Cooperative and such joint membership noted on the original certificate representing the membership so converted to Joint Membership.
- (c) When a membership is held jointly by Joint Members, upon the death of either Joint Member, such membership shall be deemed to be held solely by the survivor with the same effect as though such membership had been originally issued solely to him or her, as the case may be, and the joint membership certificate may be surrendered by the survivor and upon the recording of such death on the books of the Cooperative the certificate may be reissued to and in the name of such survivor; provided, however, that the estate of the deceased shall not be released from any membership debts or liabilities to the Cooperative.

The Board of Directors may for any reason deemed by it to be sufficient, advisable or proper, at any regular or special meeting of the Board of Directors, change the date for the Annual Meeting of Members, providing that such date is changed at least 30 days prior to the date so fixed for such Annual Meeting of Members. If the election of directors shall not be held on the day designated for any Annual Meeting, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a Special Meeting of the Members as soon thereafter as conveniently may be. Failure to hold the Annual Meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

Section 2. Special Meetings. Special Meetings of the Members may be called only by the Chairman, a majority of the Board of Directors, or upon a written request signed by at least 10% of all the Members and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special Meetings of the Members may be held at a location within any county in which the Cooperative provides retail electric service or by means of remote communication as specified in the notice of the Special Meeting.

Section 3. Notice of Members' Meetings. Written or printed notice stating the place, day and hour of the meeting, and in case of a Special Meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) days nor more than 30 days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or by the persons calling the meeting, to each Member. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the Member at his address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any Member to receive notice of an annual or special meeting of the Members shall not invalidate any action which may be taken by the Members at any such meeting.

Section 4. Record Date.

(a) A "Record Date" is the date for determining the total membership and the Members entitled to: (1) sign a Member petition, request, demand, consent, appointment, or similar document; (2) receive a ballot, notice of a Member Meeting, or similar document; or (3) vote or otherwise act. If a Member is suspended after the Record Date, then the Member may not sign a document, receive a document, or vote or otherwise act.

(c) Except as otherwise provided by the Board, the Record Date: (1) for signing a Member petition, request, demand, consent, appointment, or similar document is the date the Cooperative receives the signed document; (2) for receiving a ballot, notice, or similar document is the date **30 days** before the document is due or required; and (3) for voting or otherwise acting at a Member Meeting is the date of the Member Meeting.

(d) The Record Date for determining the Total Membership and the Members entitled to notice of, or to vote at, a Member Meeting is effective for a Member Meeting adjourned to a date not more than one hundred twenty (120) days after the original Member Meeting date.

Section 5. Quorum. As long as the total number of Members does not exceed 1000 at least 15% of the total number present in person or represented by mail or electronic ballot shall constitute a quorum for the transaction of business at all meetings of the Members provided at least 5% of the total number of Members are present in person. In case the total number of Members shall exceed 1000 then at least 150 of the Members present in person or represented by mail-in ballot shall constitute a quorum for the transaction of business at all meetings of the Members. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting from time to time without further notice. Members voting by mail or Electronically are counted as present for purposes of determining whether a quorum is present.

Section 6. Voting. Each Member shall be entitled to one vote and no more upon each matter submitted to a vote at an Annual Meeting of the Members. In no event shall any individual Person, utilizing any combinations of that individual's single membership, or a representative of a Firm, be entitled to cast more than three (3) votes on any issue submitted to a vote at a meeting of the Members. At all meetings of the Members at which a quorum is present all multiple choice issues or determinations shall be decided by a vote of a plurality vote, except as otherwise provided by law, the Articles of Incorporation of the Cooperative, or by these Bylaws. Joint Members are jointly entitled to one vote and no more upon each matter submitted to a vote at a meeting of the Members.

Failure of the Board to review or re-delineate, or failure to do so within such two hundred (200) day period shall not, however, invalidate any election. As necessary, the Board shall revise the Districts to ensure that the Districts provide equitable representation on the Board from throughout the Cooperative service area. Within thirty (30) days following a Director District revision, and at least one hundred eighty (180) days before the next Annual Member Meeting, the Cooperative must notify, in writing or Electronically, Members affected by the District revision. Not later than forty-five (45) days after the Petition/Application Package is submitted the Director Candidate Validation Committee shall determine whether or not the Petition/Application Package is valid, based on verification of the information required pursuant to paragraphs (a)-(f) above. Validated Petitions/Application Packages will be placed on the ballot.

(c) Director Candidate Validation Committee

The BEC CEO/GM will seek three (3) Members from the district to serve on a Director Candidate Validation Committee. The Committee submits the Petition list to BEC staff for signature validity. The Committee is responsible for interviewing the Petition Applicants and reviewing all Application Packages for compliance with Director Qualifications of Sections 3 and 4. If the Committee determines that the Petition Applicants meet the Director Qualifications of Sections 3 and 4, the Applicant(s) will be placed on the ballot.

(d) Nomination of Incumbent Director – If agreed to by the incumbent, incumbent directors of the districts in which their terms are due to expire at the upcoming Annual Meeting shall be placed into nomination along with any Members nominated by petition.

(e) Election of Directors—Not less than ten (10) days, nor more than thirty (30) days before an annual or special meeting of the Members at which directors are to be elected, the Executive Assistant of the Cooperative shall mail to each Member a list of the candidates nominated by Petition/Application Package or as an incumbent, the names to be arranged by districts, together with ballots for mail voting and appropriate instructions for mail and/or Electronic voting, should either mail or Electronic voting be approved by the Board of Directors.

If there is more than one candidate for a District, the order of the names of the candidates for that District shall be determined by drawing, which will be conducted by the Cooperative. Each candidate affected by such drawing will be provided at least 72 hours notice of such drawing and is entitled to be present or have a representative present for the drawing.

This list and ballots may be included with the notice of the meeting. At the meeting the secretary of the Cooperative shall place in nomination the names of the official candidate(s) for each District. Election of directors shall be by printed ballot; provided, however, that if all candidates are unopposed, then by a majority vote of the Members present, the election may be made by acclamation. The ballot shall list the candidates nominated by petition and as an incumbent, the names to be arranged by districts and in the order determined by the drawing described above. Each Member of the Cooperative, whether voting by mail-in ballot, Electronic ballot, or voting in person at the meeting (subject to the limitations of Article II, Section 6) shall be entitled to vote for one (1) candidate from each District.

The candidate for any particular voting District receiving the highest number of votes shall be declared the director of that particular voting District. In the event the election results in a tie, an automatic recount shall be conducted. If the recount does not resolve the tie, the tied candidates shall draw from a container containing a series of numbers equaling the number of candidates up for election. The candidate who draws the highest number shall be declared the director of that particular voting district.

Section 7. Vacancies. Subject to the provisions of these Bylaws with respect to the removal of directors, vacancies occurring on the Board of Directors, including a vacancy resulting from increasing the number of Directors, shall be filled by

the district, or former Directors of the district, to serve on a Director Candidate Validation Committee. This committee will be responsible for reviewing the Application Packages and if desired, interview any or all potential candidates, in order to narrow down the list of potential candidates to at least three (3) qualified individuals from which the Cooperative's Board of Directors will select the interim director. The selection of an interim director will require a majority vote by the remaining directors.

- (d) It shall not be considered a violation of this policy to temporarily delay filling a vacant director position, in order to allow the general membership to elect the interim director at the Cooperative's next annual meeting. However, it is in the best interest of the Members to have a fully functioning Board and therefore will make all reasonable effort to fill the interim position as soon as possible.
- (e) Such other procedures as may be approved by a majority vote of the remaining directors.

Directors selected to fill a vacancy shall serve until the next regular election of directors.

Section 8. Compensation. A Director is not an employee of the Cooperative. As allowed by law and as determined or approved by the Board, however, the Cooperative may reasonably reimburse, compensate, or provide insurance or other benefits to Directors. The Board shall determine or approve the manner, method, and amount of any Director reimbursement, compensation, or benefits.

In consideration for serving as a Director, as determined by the Board, and without granting a Director or former Director any contract or other rights, the Cooperative may promise to reasonably compensate, or provide insurance or other benefits to a Director after the Director ceases serving as a Director. After a Director ceases serving as a Director, the Board shall determine or approve, and may change or eliminate for any reason, the manner, method, and amount of any compensation or benefits provided to the former Director.

Section 9. Rules and Regulations. The Board of Directors shall have power to make and adopt such rules and regulations, not inconsistent with law, the Articles of Incorporation of the Cooperative, or these Bylaws, as it may deem advisable for the management, administration and regulation of the business and affairs of the Cooperative.

Section 10. Committees of the Board of Directors. The Board of Directors may establish such committees as it deems appropriate.

Section 11. Accounting System and Reports.  - (B) If a majority of the Board determines that the petition complies with paragraph (A), and only if the Secretary certifies the authenticity of the petition, a meeting of the Members shall be noticed in accordance with these Bylaws and shall be held within sixty (60) days after receipt by the Cooperative of the written petition. Notice of the Member meeting shall state that (1) a purpose of the Member meeting is to consider removing a Director; (2) evidence may be presented, and a Member vote taken, regarding removing the Director; and (3) Members may elect a successor Director.
 - (C) At such meeting, a Member quorum must be present in person, by proxy or by mail or Electronic ballot, and facts must be presented in support of the charges. The director shall be entitled to be represented by counsel and shall have the opportunity to refute such charges before a vote of the Members is taken.

 - (2) No director shall be removed by the Board except upon completion of the procedures required under Article III, Section 5 of these Bylaws for Director Disqualification.
 - (3) No director shall be removed by the Board for violating applicable policies of the Cooperative except upon completion of the following procedures:
 - (A) Any Director may bring one or more charges for cause against any one or more directors. Upon receiving written notice of such charges, the Chairman will convene the ethics/discipline subcommittee to investigate the allegations and bring to the Board of Directors in a special meeting duly called in accordance with these Bylaws, a recommendation of action.
 - (B) Board course of action: The Board may impose any discipline by a super majority vote, which is defined as one (1) above majority, ranging from verbal warning, written warning, reduction and/or withholding of benefits (i.e. pay, travel, education, etc.); or removal from the board.
 - (C) Proceedings for removal
 - (i) If the board determines that further proceedings shall be convened on the charges that would include removal, an arbitrator shall hear the charges and rule under the rules of the American Arbitration Association. The decision of the arbitrator shall be final.

In the event of a catastrophic loss of Board members, the remaining Board members shall appoint, within one hundred twenty (120) days, individuals qualified, pursuant to the qualifications, set out in these Bylaws, to serve as Board members for each of the Districts which suffered the loss of a Board member, keeping in mind the principle of equitable geographic representation. Board members so appointed shall serve until the next annual meeting of the membership, at which time all Board positions appointed under this Section shall stand for election. In the event of a catastrophic loss wherein two (2) or less Board members remain, the remaining Board member(s), or if no Board remains, the highest ranking Cooperative staff member, shall call a special meeting of the membership within ninety (90) days of the occurrence of the vacancy to elect the applicable number of Board members to fill the vacant positions in accordance with all provisions of these Bylaws wherein these specially elected Board member(s) shall serve until the next regularly scheduled annual meeting of the membership at which time all such appointed positions shall stand for election.

Section 14. Quorum During Catastrophe. In the event of a catastrophic loss as defined in Section 12, the traditional quorum requirements are simplified pending the appointment of new Board members, in order to allow the remaining Board members to meet and conduct business. All actions of the Board during this time period shall stand for ratification at the next Board meeting wherein a traditional quorum is present.

ARTICLE IV Meetings of Directors

Section 1. Regular Meetings. A regular meeting of the Board of Directors shall be held immediately after the adjournment of the annual meeting of the Members, or at such other place and time specified in the notice to Members provided pursuant to Section 5 of this Article IV. At the discretion of the Board of Directors, a regular meeting of the Board of Directors may be held monthly at such time and place in any county within the Cooperative's service area, as the Board of Directors may provide by resolution and pursuant to the notice provisions of Section 5 of this Article IV.

Except as otherwise provided in these Bylaws, Notice to Directors of the time, place and purpose of any special meeting of the Board of Directors shall be given at least five (5) days previous thereto, by written notice, delivered personally or mailed, to each director at his last known address. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except in case a director shall attend a meeting for the express purpose of objecting to the transaction of any business because the meeting shall not have been lawfully called or convened. Notice of a Special Meeting of the Board of Directors shall be provided to Members pursuant to Section 5 of this Article IV.

(b) Notwithstanding any provision of these Bylaws to the contrary, in the event of an emergency or urgent matter, notice may be given in the manner prescribed by Section 5 of this Article IV at any time before a regular or special board meeting is convened. Such meeting may be held via teleconference in the event that it is infeasible to convene in person. Only attendance at a meeting waives notice, unless the Director attends for the express purpose of objecting to the transaction of business at a meeting that was not duly called or noticed. The other Directors cannot waive that right.

Section 6. Meetings by Telephone Conference or Other Remote Communications Technology.

- (a) Subject to the provisions required or permitted by law for notice of meetings, members of the Board of Directors of the Cooperative, or members of any committee designated by such board may participate in and hold a meeting of the board, or the committee, by means of:
- (1) conference telephone or similar communications equipment by which all persons participating in the meeting can hear each other; or
 - (2) another suitable electronic communications system, including videoconferencing technology or the Internet, only if:
 - (a) each member entitled to participate in the meeting consents to the meeting being held by means of that system; and
 - (b) the system provides access to the meeting in a manner or using a method by which each member participating in the meeting can communicate concurrently with each other participant.
- (b) Participation in a meeting pursuant to this Article shall constitute presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

Section 10. Bonds of Officers. The Board of Directors shall require the treasurer or any other officer of the Cooperative charged with responsibility for the custody of any of its funds or property, to give bond in such sum and with such surety as the Board of Directors shall determine. Except as otherwise provided in these Bylaws, the Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name and on behalf of the Cooperative, and such authority may be general or confined to specific instances.

Section 2. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, all notes, bonds or other evidence of indebtedness issued in the name of the Cooperative shall be signed by such officer or officers, agent or agents, employee or employees of the Cooperative and in such manner as shall from time to time be determined by resolution of the Board of Directors.

Section 2. Issue of Membership Certificates. No membership certificates shall be issued for less than the membership fee fixed in these Bylaws, nor until such membership fee has been fully paid for in cash, and such payment has been deposited with the Treasurer.

Section 3. Lost Certificates. In case of a lost, destroyed or mutilated certificate, a new certificate may be issued upon such terms and such indemnity to the Cooperative as the Board of Directors may prescribe.

ARTICLE VIII Non-Profit Operation

Section 1. Interest or Dividends on Capital Prohibited. The Cooperative shall at all times be operated on a cooperative non-profit basis for the mutual benefit of its Members. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 2. Patronage Capital in Connection with Furnishing Cooperative Services to Members.

- (a) In the furnishing of Cooperative Services to Members, the Cooperative's operations shall be so conducted that all Members will, through their patronage, furnish capital for the Cooperative.
- (b) To induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative shall be obligated to account on a patronage basis to its Members for all amounts received and receivable from the furnishing of Cooperative Services in excess of operating costs and expenses properly chargeable against the furnishing of such Cooperative Services. All such amounts in excess of operating costs and expenses are, at the moment of receipt by the Cooperative, received as though they are furnished by Members as capital. The Cooperative may establish separate accounts for Members for separate types of Cooperative Services provided to that Member. The Cooperative is obligated to allocate credits to a capital account ("capital credit(s)"), or, if applicable, capital accounts for each Member, for all such amounts in excess of operating costs and expenses. As reasonable and fair, the Cooperative may allocate capital credits to classes of similarly situated Members under different manners, methods, and timing, provided the Cooperative allocates capital credits to similarly situated Members under the same manner, method, and timing. The books and records of the Cooperative shall be set up and kept in such a manner that within a reasonable time after the close of each fiscal year the amount of capital, if any, so furnished by each Member is clearly reflected and credited in an appropriate record to the capital account, or, if applicable, capital accounts of each Member, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each Member of the amount of capital so credited to that Member's account(s); provided, that individual notices of such amounts furnished by each Member shall not be required if the Cooperative notifies all Members of the aggregate amount of such excess and provides a clear explanation of how each Member may compute and determine the specific amount of capital so credited to such Member.
- (c) All such amounts credited to the capital account, or, if applicable, capital accounts of any Member shall have the same status as though they had been paid to the Member in cash in pursuance of a legal obligation to do so and the Member had then furnished the Cooperative corresponding amounts for capital.
- (d) If the costs and expenses exceed the amounts received and receivable from patronage business, hereinafter referred to as "loss", then the Board shall have the authority under accepted accounting practices, loan covenants and tax law to prescribe the manner in which such loss shall be handled.
- (e) In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtednesses of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of Members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to both current and former Members' accounts may be retired in full or in part. The Board of Directors shall determine the method, basis, priority and order of retirement, if any, for all amounts furnished as capital. Such method, basis, priority and order of retirement considered by the Board may include the retirement of amounts furnished as capital at a discount.
- (f) When the capital credits of any Member no longer receiving service from the Cooperative comes to a total amount of less than a fixed sum determined by the Board of Directors, the same shall be retired in full with such retirements made only when and at the same time that general retirement to other Members is made. During a general capital credit retirement, no checks shall be issued for less than a fixed amount determined by the Board, and the amount of such unretired capital credits will be retired in the first following year when the total amount of

capital credits qualifying for retirement exceeds that amount set by the Board, including the amount carried over.

- (g) Patronage capital ordered to be retired by the Board of Directors shall from the date of such order constitute an indebtedness of the Cooperative to the Member, the Member's heirs, executors or assigns. Such indebtedness shall be enforceable by the Member, the Member's heirs, executors or assigns, against the Cooperative in accordance with the laws of the State of Texas. In opposition to any effort to collect such indebtedness, the Cooperative may assert any defense thereto available to it under the laws of the State of Texas.
- (h) After perfection, to secure payment of any amounts owed by a Member, or former Member to the Cooperative, including any reasonable compounded interest and late payment fee, determined by the Board, the Cooperative has a perfected security interest in the Capital Credits of every Member and former Member. Before retiring and redeeming any Capital Credits the Cooperative may deduct from the Capital Credits any amounts owed to the Cooperative by the Member or former Member, including any reasonable compounded interest, and late payment fee, determined by the Board.
- (i) Capital credited to the account of each Member shall be assignable only on such terms and conditions and under such circumstances as the Board of Directors acting under policies of general application, or the laws of the State of Texas shall direct, and nothing contained herein shall give unto any Member a vested right to assign any part of such capital credit. Members at any time may irrevocably assign their capital credits back to the Cooperative. Such irrevocable assignment and contribution of capital shall not be allocated to the Members and is distributable only upon dissolution of the Cooperative pursuant to the property rights of Members. The Board is authorized, but not required, to negotiate capital credit settlement arrangements with estates of deceased natural persons, and/or inactive Members.
- (j) Any attempt to assign or transfer the capital credited to the account of a Member pursuant to state or federal law is subject to a right of first refusal vested in the Cooperative for a period of sixty (60) days following notice to the Cooperative of a proposed transfer of such capital to the extent the Cooperative meets any compensation terms of the proposed transfer.
- (k) The Members of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each Member, and both the Cooperative and the Members are bound by such contract, as fully as though each Member had individually signed a separate instrument containing such terms and provisions.

Section 3. Non-Member. The Cooperative has no obligation to allocate capital credits to a Non-Member. Broadband Service or other Cooperative Services furnished to a Non-Member, unless otherwise determined by the Board pursuant to Applicable Law and the Governing Documents, is provided on a non-patronage, taxable basis and the Cooperative shall not allocate capital credits to a capital account for Non-Members. A Non-Member has none of the rights granted by the Governing Documents to Members.

Section 4. Margins from Non-Patronage Business. All amounts received in excess of costs and expenses other than from patronage business, insofar as permitted by law, shall be used by the Cooperative (1) to offset any losses incurred during the current or any prior fiscal year, (2) as retained capital not assignable to the Members except in the event of dissolution of the Cooperative, and (3) to the extent not needed for these purposes, allocated to the Members on a patronage basis at the discretion of the board.

Section 5. Patronage Capital Policies. The Board has the authority to determine through policy which services are included in the definition of patronage business. The Board also has the authority to determine the kind, timing, method and type of allocation; provided however, that such methods are fair and equitable on the basis of patronage. Such allocation methods may include separate allocation units for recognizing differences in contributions to margins among rate classes and/or services provided. Nothing herein contained shall prevent the Cooperative from establishing subsidiaries that are wholly owned by the Cooperative, or affiliated entities, operated as a separate Cooperative or Corporation.

ARTICLE IX Waiver of Notice

Any Member or director may waive, in writing, any notice of meetings required to be given by these Bylaws.

ARTICLE X Disposition of Property

The Cooperative may not sell, mortgage, lease or otherwise dispose of or encumber any of its property other than:

- (a) Property which in the judgment of the Board of Directors neither is nor will be necessary or useful in operating and maintaining the Cooperative's systems and facilities provided, however, that all sales of such property shall not in any one year exceed in value 10% of the value of all of the property of the Cooperative;

- (b) Cooperative Services of all kinds, including electric energy; and
- (c) Personal property acquired for resale;

unless such sale, mortgage, lease, or other disposition or encumbrance is authorized at a meeting of the Members by the affirmative vote of at least 51% of all the Members of the Cooperative voting in person, and the notice of such proposed sale, mortgage, lease, or other disposition or encumbrance shall have been contained in the notice of the meeting; provided, however, that notwithstanding anything herein contained, the Board of Directors, without authorization by the Members, shall have full power and authority to borrow money, and in connection with such borrowing, to authorize the making and issuance of bonds, notes, or other evidence of indebtedness, and, to secure the payment thereof, to authorize the execution and delivery of a mortgage, or mortgages, or a deed or deeds of trust upon, or the pledging or encumbering of any or all of the property, assets, rights, privileges, licenses, franchises and permits of the Cooperative, whether acquired, or to be acquired, and wherever situated, all upon such terms and conditions as the Board of Directors shall determine, provided however, that so long as the Cooperative is indebted to the United States of America, or any agency thereof, no encumbrance of the Cooperative's property shall be created without the consent of the United States of America or the applicable agency thereof. The Policy on Offers to Acquire All or Substantially All of the Cooperative's Assets shall not be amended or repealed except by the affirmative vote of 2/3 of all directors.

ARTICLE XI Fiscal Year

The fiscal year of the Cooperative shall begin on the first day of January of each year and end on the thirty-first day of December of the same year.

ARTICLE XII Memberships In Other Organizations

The Cooperative may become a Member of or purchase stock in any other organization upon the authorization of a majority of the Board of Directors.

ARTICLE XIII Seal

The Corporate Seal of the Cooperative shall be in the form of a circle and shall have inscribed thereon the name of the Cooperative and the words "Corporate Seal, Texas."
