

Need New Customers for Your Business?

Participate in the Co-op Connections Program!

The Co-op Connections Card is a discount program for members of Bandera Electric Cooperative and members of Touchstone Energy® electric co-ops throughout the nation. This means, in addition to BEC members, co-op members across the country carrying the Co-op Connections Card will be able to use their card at your business.

Participating businesses are listed on the national Co-op Connections website and will also be publicized by BEC through our website and Texas Co-op Power. Virtually any type of business is eligible to participate, and there is no charge to the business. To get started in the program, complete and return the attached contract
