### Renter Acknowledgement Form

I, \_\_\_\_\_ the landowner/landlord at the property address of \_\_\_\_\_ acknowledges BEC Fiber will be installing fiber optic cable, a new network box, conduit, and/or other network equipment on my property on behalf of the request made by \_\_\_\_\_, to deliver broadband services to the specified location. In addition BEC may be performing a wall penetration as well as attaching fiber optic cable to the side of the home (may not be necessary if home already has existing conduit from inside of home to the exterior). If required, BEC may also need to gain access to the homes attic space to place the fiber optic cable into the desired location whereas an inside wall penetration will be required to make the transition from the outside fiber cable to the required network jumper.
